On Wednesday November 25, 2015, the City of Vaughan Policy Planning and Environmental Sustainability Department and the City's lead consultant, Macaulay Shiomi Howson Ltd. will host the second in a series of Public Open House meetings respecting the preparation of the Secondary Plan for Block 27, one of the City's New Community Areas. Block 27 is bordered by Keele Street on the east, Jane Street on the west, Teston Road on the south and Kirby Road on the north as shown on the attached map (see reverse). The entire area of Block 27 is approximately 400 hectares.

#### **PURPOSE OF THE STUDY:**

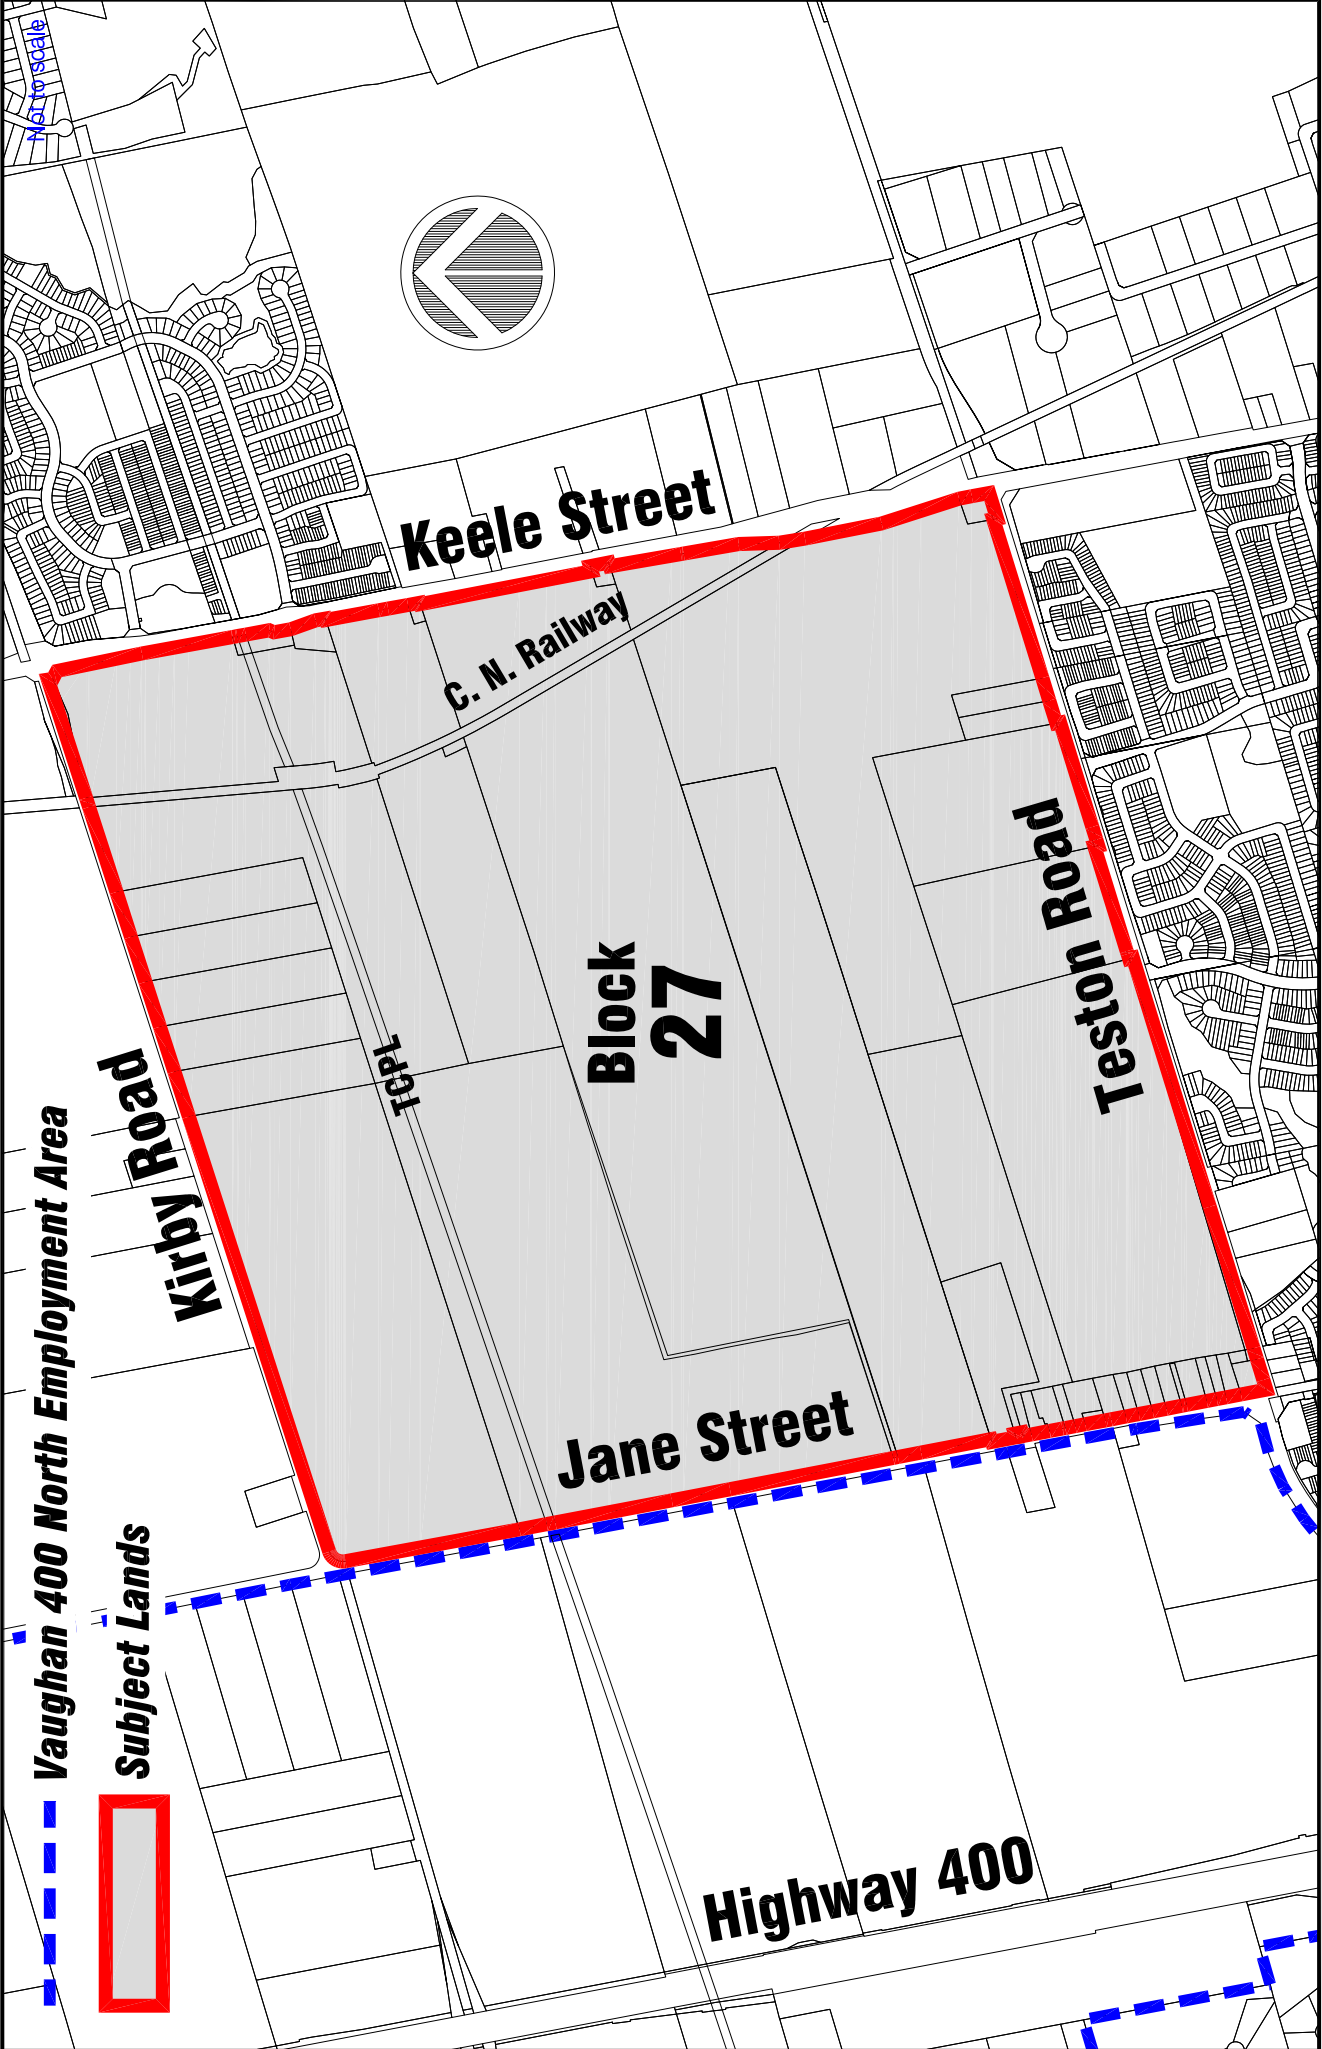

In accordance with the York Region Official Plan and Vaughan Official Plan 2010, the City of Vaughan is undertaking the preparation of a Secondary Plan for New Community Area Block 27. The Secondary Plan will provide the policy framework and resulting land use plan to guide the future development of the community. Block 27 will be primarily residential with a mix of housing types, and will also include retail stores, restaurants, offices, parks, community facilities, and schools. A new GO Rail Station near Kirby Road is also proposed.

#### **PURPOSE OF THE MEETING:**

The second Public Open House will provide those in attendance with information regarding the status of the Secondary Plan study. The meeting will include a presentation of the draft emerging land use concept and a question and answer session. The input received from the public and other stakeholders at this meeting will help refine the concept plan leading into the preparation of the draft Secondary Plan.
