

5 Next Steps

Moving forward through the planning and design process, the following is a summary of the next steps in the Kleinburg-Nashville Focus Area Review:

1. Refine the Plan;
2. Present the work-in-progress to Council;
3. Refine the Plan and establish the implementing policy framework and mapping;
4. To obtain direction on an ideal development strategy that will:
 - Update the land use, urban design and development policies in the Kleinburg-Nashville Community Plan for the lands identified as “Rural Area” and the “Nashville Core Area” in terms of conformity with Provincial, Regional and City plans and policy context;
 - Prepare a Public Realm/Streetscape Strategy for the lands identified as “Rural Area” and the “Nashville Core Area”;
 - Develop a Parks/Open Space Strategy that will provide for the protection, restoration and enhancement of the area’s natural heritage and open space system;
 - Maximize use of existing municipal infrastructure; and,
 - Consider innovative sustainable development and environment strategies.

5. Prepare the urban design and architectural control guidelines, including Heritage Development Guidelines for Nashville Village and Conservation Strategies for built heritage and cultural landscape resources;
6. Present Draft documents to Council, staff, stakeholders and the public;
7. Refine all documents and present at the statutory Public Open House; and,
8. Refine all documents and present the final documents at a statutory Public Meeting and Council presentation.
